PKU affects about 1 in 10,000 children. It is an inherited disorder which, if not treated, would cause brain damage. Fortunately this can be prevented by a special diet. The NSPKU exists to assist those with PKU and their families in managing this highly specialised diet and to promote further research.

In order for us to claim back the tax on your donation please sign in the **Gift Aid** box. Please note: **You must pay an amount of income/capital gains tax at least equal to the tax the charity reclaims on your donations in the tax year.**

Name	**Full Postal Address**	**Gift Aid** (please sign box)	**Total for Completion**

Sponsorship payable to:- **NSPKU**.
